THE BIG PICTURE ON DUST CONTROL FROM DA-LEE

LIQUIDOW™ Calcium Chloride

## SMARTER INVESTING:

Put your trust in the Experts...benefit from our knowledge. Da-Lee helps Municipalities understand how to save money, time and protect their investment when it comes to dust control. When you work with Da-Lee, you are assured:

- Knowledgeable Driver/Applicators
- 35% LIQUIDOW™ Calcium Chloride - guaranteed
- **Best value for the investment:** consistent quality; cost effective single applications; environmentally responsible product

## WHAT DOES "CHEAPER" REALLY MEAN WHEN YOU CONSIDER EXPERTISE?

**D**ust Control is a full-time job for the people at Da-Lee, it's what we specialize in, which is why we are considered the Industry Leader.

For the last 35 years we have focused all of our time and energy on providing our customers with the best value for their money. We do this because we understand that our long-term success depends on your long-term results.

Our success is due in part to our:

- top-notch equipment
- accurate spray technology
- dedication to fast, reliable service

We understand how important it is to get the job done quickly and effectively without interruption.

Da-Lee is dedicated to bringing customers the best dust control product on the market - 35% LIQUIDOW™ Calcium Chloride.

In fact, our 16-year relationship with the Dow Chemical Company is our greatest asset. It is how we ensure our customers collect on the value they expect from their dust control investment.

Da-Lee helps Municipalities spend dust control **dollars** wisely... put your trust in the Leaders - save time, money and frustration, it simply makes good **sense**.
